

Advancing Sexuality Studies: map of the short course

Module folders all contain: Facilitator Notes, PowerPoint, Module Outline for Participants *

The modules	
Introduction	Sexuality, Policy and Politics
Biopower and Sexuality	Sexuality, The Body and Personhood
Critical Sexuality Studies and Research Methodologies	Sexual Rights in Pursuit of Sexual Justice
Kinship and Sexuality	The Social Construction of Sexual Identities
Media and Sexuality	Thinking About Men and Masculinities
Sex, Sexuality and Gender: Basic Concepts	Translating Sexuality
Sexuality and Christianity	Young People & Sexuality
Sexuality in Islamic Societies	

* Some module folders also contain a Resources folder. This folder provides additional materials required to run the module (e.g. activity handouts), but does not contain copies of required pre-readings for reasons of copyright.
